**In the Name of Allah Most
Gracious Most Merciful**

﴿O'mankind! We created you from a single
(pair) of a male and a female, and made you
into nations and tribes, that you may know
each other, Verily the most honoured of you
in the sight of Allah is (he who is) the
most righteous of you. And Allah has full
knowledge and is well acquainted (with all
things)﴾
